Notes: With the exception of the Current Participants column, data shown represents national service activity completed between January 15, 2020 and January 13, 2021. 1. Projects operate in cities throughout the state. Please review the Service Location report for a complete listing of all New Jersey cities with national service. For AmeriCorps Seniors projects where 2020 service location data is unavailable, service locations associated with the project from the previous year are represented. Projects may be headquartered in other states. 2. The service location total may contain multiple counts of unique locations where multiple AmeriCorps programs operated. 3. Completed participants reflects all AmeriCorps members who completed service in New Jersey between January 15, 2020 and January 13, 2021. For AmeriCorps Seniors, this reflects all volunteers funded by grants completed during that same period. 4. The Education Awards figures represent the maximum potential value of Segal AmeriCorps Education Awards that could be earned by AmeriCorps members who completed service in New Jersey. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. 5. AmeriCorps State and National, Foster Grandparent, and Senior Companion federal funding reflects the estimated proportionate share of the federal grant associated with the participants in this report. For AmeriCorps VISTA, funding reflects the national average cost per participant. RSVP funding appears in the state where the project is based and reflects the full amount awarded to operate the completed grant. 6. Current participants reflects national service participants currently serving in New Jersey. These participants are not included in the federal funding and education award numbers in this report. 7. Total local project support reflects non-AmeriCorps cash and in-kind resources that AmeriCorps grantees committed to raise in support of their completed grants. As part of its public-private partnership approach, AmeriCorps grantees leverage additional resources to strengthen community impact and increase the return on the federal investment.
